Althea:

When I contacted Timber Carter she said she did not do airline reservations and directed me to Doretha. Doretha indicated she does hotel reservations. I started my TA with air and rental car but did not complete it. Timber put the funding on my TA but I need my expenses added and my TA is hung with no action. I emailed Timber yesterday and reached out to Lisa Bokun yesterday and today. I need help with my TA so I can get it approved today. Time is short. I would appreciate you finding someone interested in helping me complete my travel authorization. I am really frustrated and need a lifeline here. Things should not be this hard. Thank you for any help you can provide.

Thanks so much!!

Tonia,
I put a 213RR resource request in for you to mobilize on Sunday, September 17, 2017, to work as the IMT Liaison Officer in Corpus Christi. **Timber Carter will prepare your TA** and the REOC Logistics will work with you on your travel and lodging.
